

Daily Prayer

Oh Great Spirit,
Creator of all life,
Hear my call.
Let me walk daily
With peace and honour
For all Your creations.
Let me feel the warmth
Of the sun upon my skin,
The cooling breeze,
And know that I am loved.
Let me touch the Earth
And know Her love
And compassion,
For ALL life.
Let me know the wisdom
Of silence,
As well as words.
Let me heed
My own inner voice
When all other words
Fail me.
Grant me the knowledge
That this day
Is a gift,
And give me the joy
To live it well.
Let me know that each
And every day
That I walk in faith,
I am not alone or scared,
But reside within the haven,
Of Your love.
